LEBANESE SOCIETY OF OBSTETRICS GYNECOLOGY (LSOG)**

BEIRUT, LEBANON, APRIL 29, 2023

Course Objective

Sexual health service provision is becoming more demanded requiring skillful competent providers to deliver quality integrated care for women and (men). This introductory mini course, using interactive and participatory learning, will help gynecologists gain basic knowledge about the process of care and updated management algorithm and referral, to enable them to address basic clinical sexual health care for women across their life span, in a comfortable, professional, and non-judgmental ways, and as per international standards.

LEARNING OBJECTIVES

- 1** Acknowledge the burden of female sexual dysfunction (FSD)
- 2** Acquire basic knowledge and clinical competence in addressing FSD
- 3** Apply basic clinical skills in management strategies in sexual health and dysfunction

COURSE DIRECTOR

Faysal El Kak M.D. M.S.
